To post or not to post – that is the question. What you post on line

now... Can help or hurt you later. What do the new privacy settings mean and how can they

be best used? How are colleges and universities using Facebook groups for applicants, and what does that mean for junior and high school students and their families?

### COME AND FOLLOW ME!

Students and Adults are invited to come and learn the basics of how to tweet, search tweets, use

hashtags, and use Twitter well. Colleges are also researching applicant tweets. KFC Scholars awarded a \$20,000 scholarship last fall to a high school student who composed 1 winning Tweet.

Students who know how to use Twitter well mark themselves above the crowd in scholarship and college competitions. Twitter savvy parents can promote our local community and learn new ways to communicate.

Mary Bieber, a computer instructor at Henderson Community College, has taught social safety to youth groups, church organizations, and businesses in Kentucky, Indiana, and Massachusetts. She appears on Local 7 Lifestyles as a regular guest and has also discussed social media safety on News 14.
